WELCOME TO THE 1996 MISS SHELTON STATE PAGEANT

It has been a year since the last Miss Shelton State Pageant and we feel tonight is another very special night. The contestants have had a lot of fun and worked hard to prepare for this pageant and we are extremely proud of them.

The Miss Shelton State Pageant is a preliminary Miss America Pageant, which means tonight's winner will represent Shelton State in the Miss Alabama Pageant in June. By entering this pageant, young women have the opportunity to receive part of the \$10,000,000 that is available annually at the local, state and national Miss America Pageants.

Directing this pageant has been very rewarding, and I would like to thank the many people who have helped make the pageant possible. I send grateful thanks to all the merchants, business and patrons who made such generous donations to this year's pageant and a special thanks to the administration, faculty and staff for their continued support and contributions. To the members of the executive committee, for all their time and hard work in making this a success tonight, my deep appreciation. And, finally, I would like to thank each of you for attending tonight. Now, it is time to sit back, relax and enjoy the evening as we present the 1996 Miss Shelton State Pageant.
